Balmy Brooklyn Is at It Again NEW YORK-Anything can happen in Brooklyn.

Leroy Wooten was sitting in restaurant reading about a man who jumped off Brooklyn Bridge last night on a dare and lived 'Anything can happen in Brooklyn," he remarked to the waitress. A stranger walked into the restaurant, exchanged greetings with Wooten, and then said, "Let's see your hands." Wooten, puzzled, held out his hands. The stranger pulled out a

set of handcuffs, clamped them around Wooten's wrists, and darted out of the restaurant, saying: "O. K., chum, let's see you get out of that." Thinking it a Joke, the 36-yearold Brooklynite ordered three cups of coffee while waiting for the man show, Wooten turned to the police. At first the officers were not sure it was a prank. They checked their wanted lists, asked questions, checked with the waitress, and,

finally chopped the handcuffs off

usually can be measured in pennies per acre, while the differ-Chilean "Bulldog" Soda gives you generous extra value. The nitrogen is 100 per cent nitrate. It's 100 per cent available (quick-acting); 100 per cent dependable. The minor elements make crops stronger, healthier. The sodium-26 pounds in every 100-pound sack-is a key to maximum returns on your entire fertilizer investment. It offsets the bad effects of acidforming fertilizers...increases the efficiency of mixed fertilizers containing them. It releases "locked-up" potash in the soil...increases the availability and efficiency of soil phosphate...reduces potash, calcium and magnesium losses by Sodium builds up the productivity of your land-more

Smokey Says:

ing, dependancy of the farmer on rain and fluctuating market over which his control is not too great. But there is one aspect of the agricultural program in the United States which receives little public notice even though it has been in operation since early in Frankin D. Roosevelt's administration. This is the Farmers Home Administration. It does have something to offer the individual farmer who qualifies under its pro-

The FHA will take an individual who has a good reputation but little or no cash and set him up on an efficient farm unit. Agricultural experts will tell the farmer what to plant and where, as well as lay out a plan whereby he can get the maximum use of his land. If the farmer listens and works, he stands a good chance of owning his own his own place over a period of time.

In comparison, you might list the struggles an individual faces when he decides to go into a business on his own. First of all, he must have saved enough to pay at least one-third down on the business he wishes to buy, if it is already going. or make substantial payments on stock for a new store. Operating expenses for at least a month should be in the bank.

and federal taxes plus "worthy" charitable drives that seek a cut of the proceeds. To begin with the investment is risky because over 60 per cent of the small business corporations in America fail within their first five or six years of operation.

year he has probably paid off some of his mort-gage—say \$2,000. Around March 15 Uncle Sam wants one-third of that \$2,000 as corporation income tax. It's profit even if it goes to pay off the mortgage. This means an additional \$666 has to be paid out.

thing but easy for an individual to start out and stay in business. Instead of encouraging the small business the tax structure imposes a staggering load on the young person who wants a business of his own but has

In contrast to this the FHA offers to com-pletely finance a young farmer who is considered a good risk. The government agency provides experts to lay out a good farm plan where the young businessman must learn the hard way by bucking big, well-established firms that have more equip-

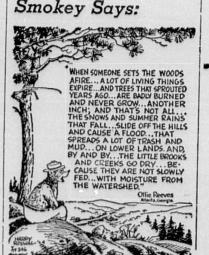

ment and better technicians than he does-This editorial is not to bemoan the plight of the small businessman just getting started but to make the farmers who do get in under the FHA program realize what a really good thing they are getting. It's a wonderful opportunity, provided by the taxpayers in

The Elba Clipper DEATH OF TRUE FRIEND In the death of T. T. (Tobe)
Rhodes I felt that I have lost VOLUMN 58

ter I came to Elba nearly 25 the street from Mr. Rhodes and became intimately acquainted. At that time he was busily engaged in getting the Emergency Aid Insurance Co. started. When he left Emergency Aid after several years, he was instrumenta an organizing and founding the Southern Benefit Life Insurance Co. which has also grown and prospered. At the time of Mr. Rhodes

one of my true friends. Soon af-1

death the organization had expanded into three companies Southern Benefit Funeral Co. and Southern Benefit Financ Co. A modern office building was erected by the firm las All of us might well take

lesson from the big-hearted, al ways smiling Tobe. Although h was in poor health for man months preceding his death, h was a great optimist and alway had a hearty greeting and plea sant smile, punctuated with wholesome and hearty joke for the occasion. He was the "lif of the party" wherever he migh be and will be greatly missed b the whole community.

OBJECTS TO SCRAPPING 'JIM The Dothan Eagle publisher the following letter from a sub scriber: "This is to advise you that I am discontinuing the Ea gle paper. Reason—I don't fal out with anyone who scraps any one, but I don't want anyon scrapping Big Jim Folsom, nex' Governor of Alabama, with any of my money. I think he was the best Governor we ever had. I tried and did much for the l tle fellow. Thank you. R. V. Adkison, Bor 301, New Brockton Ala. P. S. It won't make me mad if you print this."

MALCOM HARPER DIES Malcolm Harper, native of New Brockton, died in Montgomery early Wednesday morning He had lived there several years His wife, the former Fannie! wards, secretary; back, Ed Donaldson, Martin Moates and Grimes, and he were among the first Elba High School gradu-L. B. McCall. Mr. Harper was in business in

Geneva for a number of year where he was mayor during the flood of 1929. He moved to Montgomery about 15 years ago and was head of the first Depar ment of Industrial Relations in Ala. At the time of his death he was woner of Harper Business Service of Montgomery. Funeral services will be held from the First Baptist Church in Montgomery at a time to be announced later. Burial will be
